In short: UNITI launches the **UNITI Mobility Payment Forum** as a fundamental further development of the previous successful UNITI Card and Automation Forum. After the latter has developed into an institution and the European industry platform over the past 12 years, UNITI, in cooperation with **stolte consult**, is taking into account the change processes resulting from the energy transition, but also from digitalisation for the mobility of tomorrow. The reflection of this dynamic of transformation, even more focused, is expressed not only in the new brand, but especially in the topic setting for you. Join us and add the date and place **05.+06. October 2022 in Hamburg** in your calendar!

Dear Ladies and Gentlemen,

UNITI is now organising the „**UNITI Mobility Payment Forum**“ for the first time in cooperation with the consulting firm **stolte consult**.

The event will take place **05. + 06. Oktober 2022** in the **Grand Elysée Hotel** in Hamburg
Rothenbaumchaussee 10 | 20148 Hamburg | Tel: +49 (0)40-41412-0 | www.grand-elysee.com

The UNITI Mobility Payment Forum informs you specifically about strategic developments and mega trends in the transformation of the petrol station business. The focus is on vehicle-based mobile commerce with its digital business and solution concepts for future mobility, as well as the comprehensive national and European card and payment topics.

UNITI Bundesverband mittelständischer Mineralölunternehmen e. V.

The keynote speeches and the major industry roundtables on both days of the Forum offer interested parties an intensive exchange of information and opinions at top management level. The same applies to the selection from the large number of excellent topic-specific workshops of the Forum, with which each participant can set individual focal points for a personal Forum programme.

In addition to the subject-specific part, the Forum will also offer a festive, communicative industry get-together in 2022.

Sponsorship, exhibition and advertising options

Companies have the opportunity to become involved as **sponsors and/or exhibitors** for the forum and thus present themselves to the industry and the participants of this industry get-together. Please find all information at attachment "Save the Date_UNITI Mobility Payment Forum 2022_EN". If you book and deliver your data by the **end of May 2022** at the latest, your company logo and company contact details can be integrated into the programme.

Participation in the programme creation

We are currently still in the process of planning the content of the Forum's programme and would like to take this opportunity to invite you to contribute your ideas and suggestions for ground-breaking business concepts for the future design of the ecosystem of petrol stations, vehicles, mobility and payment systems.

Please contact us directly or by email (jens.stolte@stolte-consult.de). We look forward to hearing your thoughts and suggestions. We will then contact you to discuss whether, and especially how, they can be integrated into the upcoming forum.

The full programme for the **UNITI Mobility Payment Forum** and registration details are scheduled to be published in **summer 2022**.

The magazines tankstellenWelt and Brennstoffspiegel + Mineralölrundschau as well as the SOURCE Informationsdienst are involved as media partners of the event.

Room reservation

A **contingent of rooms** has been reserved for conference participants at the **Grand Elysée Hamburg** until **09 September 2022** under the keyword "UNITI":
