Dear Ladies and Gentlemen,

The mobility of tomorrow is emerging from the interplay of energy, payments, and automation. Mobility hubs are evolving into digitally orchestrated systems in which physical infrastructure, data, payment processes, and automated workflows converge to form a new ecosystem.

As the European industry platform, the **UNITI Mobility Payment Forum 2027** focuses precisely on this development. The focus is on the strategic, technological and regulatory issues surrounding the mobility hub of the future: from energy and charging infrastructure to payments and digital customer processes, all the way to automation, platform architectures and resilient systems.

A particular focus is placed on digital resilience in payment transactions. As the importance of digital platforms, networked infrastructures and automated processes grows, the question increasingly arises of how payment flows within the mobility ecosystem can be designed to be secure, available, interoperable and sovereign.

Leading international experts from business, technology, payments, infrastructure and regulation will discuss how integrated and digitally orchestrated systems will shape the next stage of mobility's development.

Be sure to mark the date on your calendar today.

 **13.+14. January 2027** in the **Grand Elysée Hotel** in Hamburg

Sponsorship and exhibition options

Companies have the opportunity to become involved as **sponsors and/or exhibitors** for the forum and thus present themselves to the industry and the participants of this industry get-together. Please find all information at attachment "[Save the Date UMPF 2027_ Sponsoring & Exhibition_EN](#)". If you book and deliver your data by the **end of September 2026** at the latest, your company logo and company contact details can be integrated into the programme.

Participation in the programme creation

We are currently still in the process of planning the content of the Forum's programme and would like to take this opportunity to invite you to contribute your ideas and suggestions for ground-breaking business concepts for the future design of the ecosystem of petrol stations, vehicles, mobility and payment systems.

The best way to do this is to contact us directly or by e-mail (jens.stolte@stolte-consult.de). We welcome all suggestions and ideas, which we will then discuss with you directly to see how we can address them.

The full programme for the **UNITI Mobility Payment Forum** and registration details are scheduled to be published in **October 2026**.

Room reservation

A **contingent of rooms** has been reserved for conference participants at the **Grand Elysée Hamburg** until **15th December 2026** under the keyword "UNITI":

- Single room €220.00 per room/night
- Double room €240.00 per room/night

All prices include breakfast, taxes, and fees.

You can make your room reservation by phone +49 (0)40-41 41 22 22), Email: reservierung@grand-elysee.com or via the following [booking link](#).

Join us in shaping the mobility of tomorrow – we look forward to your participation!
