

Web-Seminar "Refresher Course REACH, CLP & SDS"

In a nutshell: Following the success of the first web seminar "REACH, CLP & SDS refresher course" in English, we have decided to offer the seminar again this year. The seminar deals with current regulations, topics and questions. The target group is persons who have basic knowledge of REACH and CLP, who prepare safety data sheets and who would like to refresh their knowledge. The seminar is valid as a further training measure for the expertise according to Annex II REACH Regulation. Speakers are **Dipl.-Chem. Bernd Simmchen** and **Dr. Maren Ohnesorge**. Participants will receive the seminar documents in electronic form before the seminar.

Dear Ladies and Gentlemen,

nach der positiven Resonanz im letzten Jahr bieten wir das Web-Seminar „Refresher Course REACH, CLP & SDS“ erneut in englischer Sprache an:

Web-Seminar "Refresher Course REACH, CLP & SDS"
on October 09, 2024
from 09:30 - 12.45
Seminar language: English

If you are interested, we recommend that you register as soon as possible.

The speakers at the seminar are **Dipl.-Chem. Bernd Simmchen**, who has recognised expertise in chemical regulations and has been conducting seminars on the subject for many years, and **Dr Maren Ohnesorge**, who is responsible for chemical regulations and occupational health and safety at UNITI.

The refresher course will cover new requirements on REACH, CLP and Safety Data Sheets, as well as current topics and issues that are currently under discussion.

According to Annex II of the REACH Regulation, competent persons who prepare safety data sheets should have received appropriate refresher training courses on a regular basis. By participating in the seminar, this requirement is perfectly met.

The seminar is considered as a refresher training course according to Annex II of REACH (paragraph 0.2.3). The participants will receive a corresponding certificate of attendance.

Schedule and content: October 09, 2024, 09.30 - 12.45 hrs
(Subject to change without notice!)

09.30 – 09.45	Welcome, introduction, organisational issues

11.45 – 12.15	Safety Data Sheet (SDS) – What's new? <ul style="list-style-type: none">• The new safety data sheet format (amendment to Annex II REACH)<ul style="list-style-type: none">○ New requirements○ Guidance documents
12.15 – 12.45	Q&A session

You are welcome to submit questions before the seminar (ohnesorge@uniti.de). These will be answered in the Q&A session, provided they are relevant to the content of the seminar.

Seminar documents:

All registered persons will receive the seminar documents (presentations and regulations) as .pdf files in time before the seminar by e-mail.

Thus, participants can print out the documents before the seminar and take written notes.

Target group:

The target group of the seminar are persons who are responsible for the classification of substances and mixtures according to CLP and persons who prepare safety data sheets. The refresher course is aimed in particular at persons who have the relevant basic knowledge and would like to update and refresh their knowledge in accordance with Annex II REACH Regulation.

The seminar will be held with a minimum number of participants.

Seminar date: October 09, 2024
Seminar duration: 09.30 to 12.45 hrs

Participation fee includes seminar documents as .pdf-documents:

UNITI-/VSI members € 225,- + 19% VAT
Non-members € 275,- + 19% VAT

The latest registration deadline is September 24, 2024 (received by UNITI). If the maximum number of participants is exceeded, further registrations will be placed on a waiting list. We will have to charge the full participation fee for cancellations made after **September 24, 2024**.

Further information and registration: <http://www.uniti.de/akademie>

All participants will receive a confirmation of registration in time before the event.

We will send the programme of the seminar with breaks and the dial-in data for the online seminar to the registered persons in good time before the seminar.

If you have any questions, please do not hesitate to contact Madeleine Ritscher at +49 30 755 414-500 or by e-mail at ritscher@uniti.de.

With kind regards
