

Meet the MÖG (mineral oil companies)

Bilateral Management Meeting on 8 January 2019

UNITI Card and Automation-Forum
9. + 10. January 2019 in Hamburg

Following the basic idea of the UNITI Card and Automation Forum, to provide the central European platform for the professional exchanges in the field of petrol station automation, there is also the possibility in 2019, to bring together interested and innovative companies from the fields of new mobility, digitalization and connected commerce. Participants have the opportunity to discuss their solution concepts and business ideas in bilateral meetings with major industry players.

Please send your completed request until **December 17, 2018** at the latest to Fax: **+49 (0)30 755 414-366** or Mail: **raschemann@uniti.de**
