

# Meet the MÖG (mineral oil companies)

Bilateral Management Meeting on 9 January 2018

UNITI Cards- and Automations-Forum  
10.+ 11. January 2018 in Hamburg

In accordance with the basic idea of the UNITI Cards and Automation Forum, to offer the central European platform for professional exchanges in the field of petrol station automation, we decided for the first time to bring together the interested and innovative companies from the fields of new mobility, digitalization and connected commerce. Participants have the opportunity to discuss their solution concepts and business ideas in bilateral meetings with major industry players.

Please send your completed request until **December 15, 2017** at the latest to Fax: **+49 (0)30 755 414-366** or Mail: **raschemann@uniti.de**
